Open enrollment for the **ODA Wellness Trust** begins Oct. 15 and lasts through Nov. 15 for Jan. 1, 2024 coverage. This is your once-a-year opportunity to review your plan options and select your benefits for the upcoming year. For dental practices, open enrollment provides staff members not currently enrolled in the **ODA Wellness Trust** the opportunity to obtain a quote and decide if they would like to elect coverage for the upcoming year. Outside of open enrollment, staff can only elect coverage or change benefits if a qualifying life event were to occur.

RENEWAL RATES: AT A GLANCE

Each year the **ODA Wellness Trust's** actuaries review the prior 12 months, incurred claims and medical trends when calculating the upcoming renewal rates. Post COVID-19 utilization has been higher than anticipated. When coupled with increased medical inflation, the ODA Wellness Trust has had a few years of higher than hoped rate increases. The good news, however, is that the actuaries are seeing positive trends in the underlying data, and it is the Board of Trustees' hopes that the rate renewals can return to their historical lows in the coming years.

The rate renewal for the 2024 calendar year provides for adequate revenue to cover projected claims and administrative costs.

WHAT IF I MISS THE OPEN ENROLLMENT OPPORTUNITY?

In order to qualify for medical coverage outside of Open Enrollment, you must qualify for a Special Enrollment Period. A Qualifying Event is a life-change that makes you eligible within 60 days of the event to change your health insurance coverage outside the annual enrollment period. Life changes might include a marriage, birth, adoption, death, divorce, loss of coverage due to reduction in work hours, loss of job, relocation, or loss of student insurance or Medicaid. A Qualifying Event is not a voluntary loss of coverage or due to non-payment. Proof of qualifying event is required to be submitted at the time of application.
