Contract Terms: The Renewal Date for this Plan is January 1st of each year. Renewal Rates will be provided at least 30 days prior to the Renewal Date. If accepted upon renewal, coverage will be renewed for additional one-year (1) contract periods (Renewal Contract Periods) by payment of the applicable Renewal Health Care Fees due at the Renewal Date. Renewals will be on the same terms and conditions as those in effect for the Initial Contract Period, unless notified otherwise by the Plan.

Participating Members may also terminate this Contract at any time by giving the Plan Administrator written notice at least 30 days in advance of termination date. Summary of Benefits and Coverage (SBC)

The Patient Protection and Affordable Care Act has established many new requirements and standards for group health plans, including the requirement to create and distribute a uniform Summary of Benefits and Coverage (SBC). The purpose of the SBC is to provide standard information and uniform language across the health benefits business to allow consumers to easily compare options and select health plans. Members can access SBCs by visiting www.odawt.org. Copies of the SBC are available at www.odawt.org or upon request. Please call the Plan at (800) 282-1526 for a copy or if you have any questions about the SBCs. For more information regarding this healthcare reform provision, please visit www.healthcare.gov.

Participation Guidelines

Participation Guidelines are in force from the Effective Date of this contract and remain in effect for each subsequent Renewal Contract Period unless written notification is provided by the Trust. By signing this contract, the applicant agrees to the participation guidelines and proposal qualifications, and understands that should it provide false information or fail to meet the requirements for eligibility, it will result in the termination of this contract for all covered persons.

Statement of Contingent Liability

The Plan is a self-insured plan, and benefits are not guaranteed by a licensed insurer. The Plan is not covered by the Ohio Life and Health Guaranty Association. This is a fully assessable benefit plan. In the event that the multiple employer self-insured health plan is unable to pay its obligations, participating employers shall be required to contribute on a joint and several basis the funds necessary to meet any unpaid obligations. Certain other major protections offered to Ohio residents under the Ohio Insurance Code and Rules and Regulations, such as conversion rights and certain mandated or required benefits, may not be available through the multiple employer self-insured plan. The applicant requests participation for its employees in the Trust.

Billing & Collections Guidelines

Although the contract period is one year, payment of Health Care Fees will be required monthly. The following guidelines will be used for the Billing and Collection of the Health Care Fee:

1. *Bills will be mailed on or about the 15th of the month prior to the billing month.*
2. *Remittance will be due on the 1st of every month.*
3. *If payment is not received, or moneys are not available for debit from a bank account by the end of the 31-day grace period, all coverage for a Participating Group's covered employees will be terminated retroactive back to the 1st of the month for which payment was due, and the Participating Group will be responsible for Health Care Fees due until the earlier of the end of the contract period or by providing the Trust with the proper termination notice as provided for under Contract Terms.*
4. *Reinstatement will not be permissible for a Participating Group until one year from the date of termination.*
5. *Employee and/or dependent terminations must be sent to the Plan Administrator prior to the termination date. If a termination request is received more than 15 days after the termination date, the employee and/or dependent(s) will not be terminated until the end of the month in which the termination is received and the employer will be responsible for any applicable Health Care Fees for that month.*
6. *Billing will be based on the current census of employees enrolled in the system as of the date bills are run. Rates may change based on the individual age of each employee at the time of renewal.*

By signing this contract, the applicant understands that failure to pay Health Care Fees in accordance with the "Billing and Collections Guidelines" will result in the termination of this contract and the Group will be responsible for Health Care Fees due.
